

# TAKE CONTROL WITH DIGESTIVE ADVANTAGE®

## 2 Week Tummy Take-Back Money Back Guarantee Form

Buy any one (1) Digestive Advantage® product at your local retailer or online. Take product as directed for 14 consecutive days. To make it easy to remember, try taking as part of your daily routine, such as at breakfast or dinner. If you are not completely satisfied (i.e., you do not experience improvement in occasional abdominal discomfort and bloating) you may receive a full refund (in the form of a check for the exact amount paid for the product).

**Additional Tips:** Keep a daily log to note any changes in your digestive health. Some individuals may experience temporary bloating and gas as part of starting a new probiotic regimen. This is normal and should occur only during the first few days as Digestive Advantage® is introduced into your digestive system. If this persists, stop taking and talk to your doctor.

**To Qualify:** (a) Print and complete this form; (b) Enclose the original dated sales receipt indicating the product name and UPC code as well as any remaining product to the following address:
